

November 10, 2010

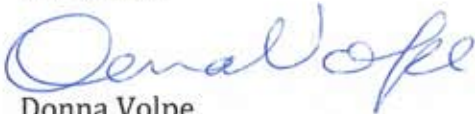

To Whom it May Concern,

I support The Contemporary Arts Kitchen and its continued growth and dedication to community arts and the youth of Klamath Falls.

The Contemporary Arts Kitchen has been an active and generous member of our community. I have never heard of any complaints or problems regarding them or their members.

I believe their current location benefits our community, as they open their doors time and again in support of our downtown events.

Thank you,

Donna Volpe
